## February Horoscopes

*In astrology, those born between February 1–18 are the Water Bearers of Aquarius. As the water of life heals the land, so Aquarians are the humanitarians of the zodiac. Free-spirited and compassionate, they give “power to the people.” Those born between February 19 and 29 are the Fish of Pisces. Fish feel things deeply. These intuitive, creative, and intelligent people have strong feelings of right and wrong.*

# Activities Scoop

Happy February everyone! For those of you who are unaware I will be on vacation the 7th-22nd. With that being said the amount of activities and outings during this time will be cut back slightly. I know you will all be in good hands with Alli leading all the activities during my absence. Don't miss me to much though and if you have any questions or concerns during this time please see Alli or Asia. I will miss you all while I'm gone! -Ashlie

# Valentines Day History

On February 14 each year, sweethearts celebrate Valentine's Day by exchanging cards, chocolates, and other tokens of love. But do these sweethearts know who they are celebrating? The true identity of St. Valentine is murky and there are differing stories detailing his role in the church and the acts that inspired the popular holiday bearing his name. Competing stories depict St. Valentinus (the Latin version of the name) as either a priest from Rome or the Bishop of Terni during the reign of Emperor Claudius II. Valentinus aided Christians who were persecuted under Claudius II's reign until he, too, was put under house arrest at the home of Judge Asterius. It so happened that Asterius had a blind daughter. The judge asked Valentinus to prove the power of Christ by restoring the girl's sight. When Valentinus performed the miracle, the judge thanked him by freeing him and all the Christians he had imprisoned. But Valentinus did not remain free for long. He was again arrested and brought before Emperor Claudius II himself. When Valentinus attempted to convert Claudius to Christianity, he was executed on February 14, AD 270. Before his martyrdom, he is said to have written a note to the daughter of Asterius, which he signed "From your Valentine." Another story details how Claudius II outlawed marriage for young men in the belief that single men made better soldiers than those with families. Valentine defied Claudius and performed marriages in secret, purportedly cutting hearts of parchment and gifting them to the couples as a sign of God's eternal love. When Valentine's secret was discovered, Claudius executed him. These legends illustrate Valentine's devotion to his faith and his love for his people, and inspire a holiday dedicated to the ideals he died for.
